ABOUT THIS GUIDE

Pricing for Temporary & Short-Term Students

This guide covers pricing for **temporary, short-term students** at Selong Bay School — families visiting or staying in Lombok for a **day, a month, or a term**, including our **World Schooling** and homeschooling families who join us flexibly around their own travel and learning plans.

This is different from our **long-term enrolment** pricing, which applies to families settling in Lombok long-term who hold, or are applying for, a KITAS. If your family is relocating long-term rather than staying temporarily, ask us for our separate Long-Term Student Information guide instead — this guide's pricing does not apply to long-term, full-time enrolment.

In short: if your family is here for a short stay — a day, a month, or a term — this guide's pricing is the one that applies to you. Settling in Lombok long-term? Ask us about our long-term/KITAS-holder pricing instead.

Age Group Guideline

Early Years	Ages 2–3
Pre-School	Ages 4–5
Primary	Ages 6–12
High School	Ages 13–18

Age groups are a guideline — we place every child according to their individual readiness and development, not age alone. If you're not sure which group fits your child, just ask us.

WAYS TO SAVE & DAILY STRUCTURE

Sibling Discount & Daily Schedule

Sibling Discount — Flat 5% off

Temporary students receive a simple **flat 5% discount** off the base tuition rate when a sibling is also enrolled. For example, on a Primary per-term base fee of IDR 29.687.500, that's IDR 1.484.375 off.

Note: this is a single flat rate for temporary students — it is not the same as the tiered 5%/10% sibling discount used for long-term, KITAS-holder families. Please don't confuse the two: the flat 5% rate on this page applies only to temporary/short-term stays.

Daily / Project Schedule

Temporary students follow the same daily structure as our regular students:

11:00am–12:30pm	Project Time
12:30pm–1:30pm	Lunch & Supervised Play
1:30pm–3:30pm	Activities

See the next page for activities pricing and how the activities programme works.

AFTERNOON PROGRAMME

Activities Costs

Activities are priced separately from tuition. They run **1:30pm–3:30pm**, with one main activity per day.

- **Additional costs:** some activities carry an extra cost (for example, surf board hire) — we'll always let you know about these at the start of the week.
- **Shuttle included:** a shuttle from Kuta is included for activities.
- **Term Rate condition:** the 25% term rate discount applies only when a student commits to a **full term of activities** — it does not apply to single-day bookings or the 10-session packages.
